TELLING TURNING MOMENTS IN THE CLASSICAL POLITICAL WORLD EBOOKS 2019

Author: Jan H. Blits

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

Turning, Telling Moments in the Classical Political World examines developments in the classical political world which are both turning and telling moments. All the moments—from Theseus's founding of Athens to Augustus's establishment of the Principate—possess the double character of being turning points and revealing fundamental aspects of the ancient political world. By examining ancient histories as works of reflection rather than works of research, Blits reveals the way ancient historians understand and intend us to understand the ancient world.
